The V Foundation is a charitable organization dedicated to saving lives by helping to find a cure for cancer. The Foundation seeks to make a difference by generating broad-based support for cancer research and by creating an urgent awareness among all Americans of the importance of the war against cancer. The Foundation performs these dual roles through advocacy, education, fundraising and philanthropy.

Breast Cancer
Survivor

"Cancer can take away all my physical abilities. It cannot touch my mind, it cannot touch my heart and it cannot touch my soul. And those three things are going to carry on forever."
